### **30 SECONDS TO MARS EMBARK ON THEIR FIRST EVER NATIONAL HEADLINING TOUR!**

30 SECONDS TO MARS EMBARK ON THEIR FIRST EVER NATIONAL HEADLINING TOUR  
DATES FOR THE TOUR, CHRISTENED "FOREVER NIGHT NEVER DAY" BEGIN MARCH 4TH IN SALT LAKE CITY

NEW SINGLE AND VIDEO "THE KILL (BURY ME)" COMING SOON

NEW YORK, NY- THIRTY SECONDS TO MARS embark on their very first national headlining tour ever. The tour, christened "FOREVER NIGHT NEVER DAY" will begin March 4th in Salt Lake City with dates running through April 30th in San Francisco.

In support of, A BEAUTIFUL LIE, the band toured solidly for 8 months straight in 2005 opening for bands like AUDIOSLAVE, THE USED, and MY CHEMICAL ROMANCE. After a short break over the holidays they are ready to continue what has been an incredible journey so far.

The critics agree:

[MTV.Com](http://www.mtv.com) wrote, "Jared Leto is not the first actor to launch a career in rock and roll, but somehow he's managed to be the only one audiences don't laugh off the stage...only Leto's band, 30 Seconds to Mars, has earned itself some bona fide rock cred over the course of its brief career." The Washington Post agrees, "Hard-driving guitar riffs and powerful vocals carry this head banging outfit all the way to the rock-race finish line."

Thirty Seconds to Mars also features Leto's brother and drummer Shannon, guitarist Tomo Milicevic and bassist Matt Wachter. Opening for Thirty Seconds To Mars will be newcomers - Victory Records' Aiden and Vagrant Records' Emanuel.

About the tour singer / guitarist Jared Leto had to say, "It's time. After all these years on the road the fact that we still hadn't done a national headlining tour had become something that we were constantly asked about and encouraged to do. We are ready for that next step and we couldn't be more excited to finally get out there and present THIRTYSECONDSTOMARS in the way that we see it. This is a tour that will offer a true alternative to the typical, mundane experience that seems to be readily available everywhere. We plan on presenting something very unique every single night and to create an experience that will never be forgotten. We want to welcome our family of friends, fans, and anyone and everyone to come and be a part of 'FOREVER NIGHT NEVER DAY.'"
